Vinyl Liner Pools

Insulated Wall System

latham

 Made in U.S.A.

Why a Premier Pool?

Unique manufacturing technology, limitless installation options, unmatched warranty protection and incredible energy savings that allow this pool to pay for itself.

No other pool on the market today can offer this complete value-added pool package. It is truly the smart backyard investment. Let the memories begin!

Not All Pools are Created Equal

Our 2-inch thick insulated wall panels are constructed of a closed cell expanded polystyrene (EPS) foam core bonded between 2 sheets of durable acrylic coated aluminum. All polystyrene used is treated with environmentally safe insecticides to prevent any insect infestation, guaranteed!

Tested and proven for over 60 years!

Advanced Engineering

More Location Choices

Residential lots offer many landscape challenges. Premier Insulated Wall Pools can be installed aboveground, inground, and semi-inground, on a slope or into a hill and no retaining wall required!

Premier Pools have the versatility to fit any backyard, any budget, anywhere.

Location Versatility

The Only Pool that Pays for Itself

Premier's R-10 insulated wall panels resist heat loss more efficiently than any other type of pool wall, maintaining water temperatures 5-10 degrees warmer. Premier insulated wall panels help keep the water warmer longer so you can extend the swimming season by up to 2 months and save \$1000's on heating costs. Ask your dealer for all the Energy Savings details!

Incredible Insulation

Peace of Mind

Premier offers a 7-year, non-prorated warranty against manufacturing defects. The warranty is also fully transferable! If you should sell your Premier pool, the warranty continues for the new owner.

If you think all aboveground pools are created equal – think again!

Premier offers shapes and sizes to fit any backyard. Shapes include Round, Oval, the patented Lagoon and Rectangle. The Rectangle features the patented Universal Coping System that is adaptable for a variety of aboveground and inground finishing options. The Universal Coping System also includes an inside double track for easy installation of your Liner and Winter Cover.

Explore the Style Options page for liner, wall pattern and lighting options to customize the look of your pool! Just imagine the possibilities!

Surround your aboveground Premier Pool with a deck to create a poolside entertaining area. For a true backyard resort feel, add a custom interior step.

This innovative liner over step adds a whole new dimension to your poolside pleasures providing a great gathering area for conversation and relaxation. The seamless design of the Inside Step complements the aesthetic appeal of your pool by creating an inground look in your Premier Pool!

Is your backyard on a hill? Sloped terrain is no longer a problem! Whatever your landscape, there's a Premier Pool to fit your yard!

Halfway In and All Decked Out

Whatever your vision, Premier Semi-Inground Pools have varied shapes, sizes and installation options that allow it to comply with the requirements and restrictions of many homeowners associations regarding swimming pools. Now you can have the backyard you want in the neighborhood you choose!

A Premier Pool can be installed partially or all the way in the ground. Add a walk-in step or paver deck, and you can enjoy the look and feel of an inground pool for a fraction of the price.

Same Beauty of an Inground Pool with Added Benefits

Premier inground pools will look like any other inground pool with the added benefit of a deeper pool (52" wall) and R-10 insulated panels. Options available for custom deep end as well.

Inground Step Options

Premier vinyl over step forms and Thermoplastic walk-in steps offer everyone in the family easy and safe access to your pool. Stairs add a whole new dimension to your poolside pleasures since they are a great confidence builder for small children and a fantastic gathering area for conversation and relaxation. Add a beautiful step for the complete inground pool experience.

Vinyl over step forms are available in a variety of shapes and sizes, offering the option to add extra features including benches and tanning ledges. Add your personal touch to any pool design!

Thermoplastic walk-in steps are available in 8' radius and straight styles, depending on your pool size.

Premium 4" Coping

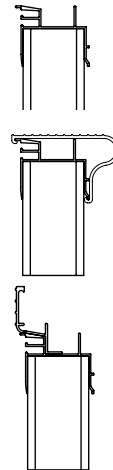

Premium coping boasts a wide 4" profile, elegant bullnose exterior finish and double tracks inside the pool. Standard in Light Grey, the internal double track accommodates the liner and a custom winter cover. (Not available on Rectangle Pools)

*White coping available upon request as a special order.

Universal Premium Coping

The Rectangle Pool utilizes this patented coping to add to the structural integrity of the pool while providing a variety of finishing options for aboveground, semi-inground and fully inground pools. The Universal Coping provides finishing options for any installation! Each option includes internal double tracks to accommodate the liner and a winter cover. (Inground concrete receptor coping is available as a custom option.)

*Standard in Grey. White coping available upon request as a special order.

When it comes time to winterize your Premier Pool, we've got you covered!

The Winter Cover is designed exclusively for Premier Pools and snaps into our standard, premium and Universal Coping to hold your cover in place.

Wall and Liner Pattern colors are representative only and may vary slightly from actual colors. Please see dealer to view actual samples.

Semi-inground pools may use a combination of different types of coping to fit the needs for a particular pool installation.
